

Meeting of  
Rabbi Loew Leopold (Lipot)  
descendants in Budapest  
17 June 2017

Life of Loew Lipot  
(hungarian)

O intilnire foarte interesanta cu urmasi din ramuri diferite ai rabinului Leopold /(Lipot) Löw si un biograf al rabinului.

In una din fotografiile este arborele genealogic al Rabinului Schwab Low unul dintre primii rabini neologi, mentorul Rabinului Loew Leopold si mai tirziu socrul lui. **Dan Mironescu**

As a results of my research on Rabbi Loew Leopold (Lipot) followers, I contacted a lot of people.

In this way good relations have been established with majority of descendants I want to thanks all of you which help me to complete the family tree in order to let the generations that come, the image of a large and widespread family.

I hope that some of the young members will continue this work in memory of the founder of this family, Rabbi Loew Leopold (Lipot)

Michael Newman (branch of Leontine Loew Boros) from Toronto, Ontario and me (branch of Ianka Loew Wolf) from Rosh Haayin Israel, decided to meet in Budapest in June 17, 2017

Mrs. Theresa Horvath (branch of Immanuel Loew) proposed to meet also Mr. Mate Hidvegi-author and historiograph of Rabbi Loew Leopold and Rabbi Immanuel Loew. We meet also Mrs. Banki Eva (branch of Amalia Loew Baracs) which lives in Budapest.

Mr. Pal Fischer (branch of Rabbi Loew Schwab, father in law of Loew Leopold) was invited too. He built a family tree which have connections with our one.

Michael Newman invited his nephews which live in Budapest and me invited my cousin which lives in Timisoara, Romania

The meeting took place in the famous Gerbeaud café in the center of Budapest

In the next slides are pictures from meeting
