

A Letter To The Airlines To Help Improve Service As Well As Revenue

By **George Plohn**, just trying to help

Dear Airlines,

Dump the male flight attendants! No one wanted them in the first place. Replace all the female flight attendants with **YOUNG**, good-looking strippers!

What the hell!!!! They don't even serve food anymore, so what's the loss? The strippers would at least triple the alcohol sales and get a "party atmosphere" going in the cabin. And, of course, every businessman in this country would start flying again, hoping to see something **THAT** new. Because of the tips, female flight attendants wouldn't need a salary, thus saving even more money.

Terrorists would be afraid to get on the planes for fear of seeing naked women. Hijackings would come to a screeching halt, and the airline industry would see record revenues.

This is definitely a 'win - win' situation if we handle it right; a golden opportunity to turn a liability into an asset.

Why didn't Reagan, Clinton, the Bushes, Obama, not even Trump think of this? Why do I still have to do everything myself?

Sincerely,

George Plohn, just an innocent bystander, a potential flier
