1957-1963 - My Timisoara

I was born in 1957 only child of Ibi (Molnar) Freund and Miska Freund. I went to the Gradinita Doinita, and at the age of 6 we came to live in Holon, Israel. We arrived to Haifa port on 22nd, Nov.1963, it was Friday and the President Kennedy was shot in Dallas, Texas.

My father was a guide in the Hashomer youth movement in Timisoara.

My mother worked in the Policlinica.

I grew up in Holon: Haarava primary school and Miterani HS. I am an English teacher in highschool. I am married + 3 kids. Adar 25, Ofir 23 and Aviv 17. We live in Mazkeret Batya.

I'll add some old photos of my parents' school, friends and family.
