

January 27 is the International Holocaust Remembrance Day .  
Today, 70 years ago, Auschwitz was liberated !  
After a few months spent in Auschwitz, my mom and my grandmother were moved to  
Terezin.  
They were liberated from Terezin on 8 May 1945.  
I attached my mother's official liberation document.

27 ianuarie este ziua internationala a comemorarii Holocaustului.  
Acum 70 de ani la aceasta data a fost eliberat Auschwitz-Birkenau.  
Mama si toata familia au ajuns la Auschwitz. Dupa cateva luni petrecute acolo au fost  
transportati la Terezin de unde au si fost eliberati in 8/5/1945  
Am atasat si documentul oficial al eliberarii.

אימא ביחד עם כל משפחתה הגיעו לאושוויץ. אחרי כמה חודשים היא וסבתא הועברו לטרזין ומשם שוחררו ב  
8.5.1945  
הוספתי גם את תעודת השחרור של אימי.
